HOW ABOUT A FUN RUN?

Join us with your hounds or just to watch

When: Saturday Feb 14 11:00 AM (Raindate Feb 21)

Where: Central City Park small ballfield (behind the Braves Field)

What: Bring leashes, muzzles, water, and wipes

With the cool temps, the hounds should have fun running and socializing. Encourage those who like to watch greyhounds run to come out and watch! But come on time as the run only lasts a few minutes and latecomers will miss it!!

Sadly, we ask that you remember two wonderful greyhounds who crossed over the rainbow bridge.

Mustang Mark was an Irish Greyhound, a breed larger than most. Owned by Laurie Hoffman, formerly from Marietta, he was 13 years old and will be greatly missed by his best friend, Little Joey.

Brenda and Jim Green from Alabama have lost their beloved Greyhound, Pearl. She was a great friend who became a watch dog, finding her voice while living with her grey sister, Shelby and German Shepherd sister, Gretchen.

Please keep these families in your thoughts and prayers.

Mustang Mark and Joey

LOSSES by Jackie Brantley

You undoubtedly have noticed the numbers of greyhounds who have left us in recent months. It hurts all of us when we hear of another pup that has passed away. Paul reminds me each time that these wonderful hounds had a much better life than if they had stayed on the farm. He is right. Each of them had a tough beginning and in placing each of them, their lives were changed forever...they now had families, friends, care and love. So, instead of loss, they leave us with happy memories. Try to remember that you and your hounds had wonderful times before your separation. To them, you are a hero. Thank you for that!

Arrivals, Adoptions and More

ARRIVALS:

Rudy, an 8 year old, special needs Italian Greyhound. He is sweet and house broken and gets along well with older children and adults. He has a need for surgery on his knee joint so can be a bit snappy when picked up. But he loves lap-sitting and will let you know when he is hungry, wants out, etc. Fawn and Blue, a delightful pet.

Hello, I am Mr. Ro.

Adoptions:

Payton, now known as Ginger has gone to live with the Rozebooms and their beloved Ghost.

Jasper, our delightful Italian Grey has found a new home in Valdosta with two other Iggys.

Best wishes to all of you!!

An ideal home for Italian Greyhounds is one that either now or in the past has owned an Italian Greyhound.

Available:

Italian Greyhounds

Sinatra: A small blue and white Italian Greyhound, born August, 2006 with brother Santos. Very outgoing and really enjoy toys, treats and rawhides. And sitting beside you on the couch.

Peggy Sue: A "special" pup who is 10 years old, a black and white girl who loves to snuggle and bounce around for dinner.

Churchill: He is an adorable white and blue Italian greyhound with a winning personality. About 14 years young, can get along with other animals and will let you know what he wants and needs. Prefers a home without small children.

Let love and faithfulness never leave you; bind them around your neck, write them on the tablet of your heart."

Standard Greyhounds

Clutter: A young, black girl, who was born in October, 2005. She has a little white on her chest and white feet and tail tip. She is such a sweet, happy little thing, with a pretty smile.

Sleepy aka Freckles: A white and red girl with some ticking. Born February, 2003, she is a sweet and nosey little thing. She has **really** big ears and seems alert all the time.

Athena: Born in 2003, she is a brindle lady with

an elegant roman nose. She is very lovable and especially loves cuddling. Definitely a dog that will love you back.

Electric Flicker: Flicker is our oldest girl at 14. She was used for breeding before retired. The sweetest brindle and blue girl, Flicker "flicks" her tail constantly, sucking up all the attention she can get on walks. She is cat and small dog safe with a winning attitude.

Mr. Ro: A regal black boy, with a glistening coat. Inquisitive, smart and playful. Makes friends wherever he goes!

Chloe: A lovely fawn girl who is playful and loves kisses. Quiet and disarmingly sweet, she loves a cushy bed .

Misty: A gorgeous dark brindle girl who is playful and smart. Likes to be close..a real "Velcro" dog for someone.

ROXIE: NOT A GREYHOUND but cute anyway! is a Pit puppy who was dropped on the road. Has been vet checked and is the sweetest, most playful of pups. She needs a loving home and family.

CHURCHIE'S CORNER

Life at my new foster home is pretty interesting most days. One day we got all dressed up to go for a walk. I never knew that a walk included four miles of going down a hill and up again.

Actually, I am kept so active that all I want to do is sleep. 'Course, that's what I did before too.

I am learning the fine art of chasing squirrels. Not sure what I do if I ever caught one. Maybe Belle and Julie will help me out.

I love mornings because we start everyday with a cookie party!

So many adventures, so little time.
